Introducing North Shore

north shore[®]
BY NORTHWOOD

North Shore offers a comprehensive range of premium washroom dispensers and consumables for the Away-from-Home market, sold exclusively via a network of preferred distributor partners.

North Shore has been meticulously designed to meet the highest demands of the modern washroom, bringing together a sophisticated and contemporary aesthetic, supreme functionality and hygiene to deliver market leading performance.

Through its design, function and quality, North Shore is robust and sturdy, making dispensers suitable for even the most challenging washroom environments. Easy to maintain, North Shore dispensers have been engineered specifically to reduce waste, and ultimately reduce costs.

Available in three colourways, North Shore is ideal for any washroom décor and offers a full complement of washroom dispensers, including toilet roll, roll towel, folded towel and soap dispensers.

Why choose North Shore?

MAINTENANCE

High Capacity – Significant reduction in janitorial maintenance and service visits makes this range perfect for high footfall washrooms. Compact designs are also available for when space is at a premium.

No Theft – All dispensers are equipped with a secure locking system meaning the contents are safe inside.

Abuse – Dispensers are constructed from very durable ABS plastic to minimise any damage that can be caused to them.

Easy Installation – Dispensers are supplied with fitting templates and easy to follow instructions.

COST

Prevents Overuse – Towels are dispensed in economic lengths for controlled dispensing, reducing waste.

Reduce Waste – Specifically designed for the user to use 100% of the paper before being able to use the next one.

Drain Friendly Products – Fast breakdown in water makes this suitable for use in high volume areas and areas with problematic plumbing.

HYGIENE

Wipe Clean - Dispensers feature easy to clean and durable surfaces.

Single Sheet Presentation - Users only touch the paper they will use, reducing the risk of any contamination.

Perfect for high footfall washrooms

Environmental *Impact*

North Shore proudly carries the EU Ecolabel Certificate across all recycled paper and a selection of soap products.

To qualify for the EU Ecolabel, our manufacturing processes have been scrutinised to ensure we meet the EU's stringent 'Green Guidelines' and maintain the highest of quality standards.

By offering Ecolabel product, you can rest assured that North Shore has minimal environmental impact. In addition, North Shore is dedicated to providing pure pulp paper product that is only sourced from sustainable suppliers. This can help your company meet environmental responsibilities and targets.

Certificates

An offering for Multi Sectors

Such as:

Public Buildings

Perfect for high footfall environments due to the high capacity and durable dispensers.

Food Processing

No contact dispensing makes North Shore very hygienic. Fully automatic options make this the ultimate in hygiene dispensing.

Office Buildings

Sleek and contemporary look makes North Shore suitable for front of house. High capacity and durable dispensing means reduced janitorial maintenance. The range also offers compact dispensers for smaller office washrooms.

Hospitality

Sleek and contemporary look makes this suitable for front of house, in a range of colours to suit a variety of washroom decors or brand colours.

Healthcare

North Shore has a no-contact dispensing option making it perfect for healthcare environments.

Education

Easy and safe to use dispensers for children. Hygienic dispensing and environmentally friendly.

Industry & Manufacturing

Robust, hard wearing and durable dispensers that are easy to clean make North Shore perfect for these demanding environments.

Sports Grounds

North Shore is the ideal choice for Sports Grounds - great looking, durable and the perfect choice for high traffic match days.
